(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-19, 21-23, 25, and 27-35 are rejected under 35 U.S.C. 102(b) as being anticipated by Faul et al 5,661,220.
